Accounting or accountancy is the  
measurement, processing, and  
communication of financial  
information about economic  
entities such as businesses and  
corporations. The modern field  
was established by the Italian  
mathematician Luca Pacioli in  
1494. Accounting - Wikipedia -  
The politics of Canada function  
within a framework of  
parliamentary democracy and a  
federal system of parliamentary  
government with strong  
democratic traditions. Canada is a  
constitutional monarchy, in which  
the Monarch is head of state.
