Chelonian Research Foundation
» Turtle Poetry - Curriculum Pathways provides interactive, standards-based resources in English language arts, math, science, social studies, and Spanish (grades K-12).
Curriculum Pathways® - This selective collection of French poetry features the best loved and most anthologized poems of French literature. Hardly any students of French literature can ignore these gems without missing the essence of the French language and the genius of French poetry. French Poetry - The literary forum, Le cercle litteraire ... -
